

Dear Partners,

We would like to inform that DWTC's holding area has now shifted to Al Warsan with immediate effect – please see location map attached.

Kindly note that **Al Jafiliya, Car Park E and Car Park C will no longer be in use as holding areas. All vehicles attempting to go to these areas or directly to DWTC Marshalling Yards will be refused access. This holding area will be mandatory for all Exhibitions – irrelevant of space occupied by the show (show size) and is necessary as we need to support the local authorities by streamlining the traffic on all roads surrounding the venue.**

Kindly communicate this information and the new Holding Area location (Al Warsan) with all relevant teams.

The Holding area process at Al Warsan remains similar to the previous holding area at Al Jafiliya, as per following:

- Drivers follow the attached map to reach the new location – Al Warsan.
- Drivers enter the holding area and are directed into a queuing system by Security.
- Driver goes to the registration point and presents his/her Emirates ID card.
- The driver is then issued a Drivers Contractor badge for AED 20.00 and given an approximate time when the vehicle will be released.
- Vehicles are released as per availability and then travel to the assigned Marshalling yard at DWTC.
- DWTC Security checks that the vehicle driver possesses the right pass at the Marshalling yard gate.
  - If the pass is correct, access is given.
  - If the pass is not correct, access is denied and the driver will be redirected to Al Warsan.
- Please note that any vehicle attempting to access the DWTC Marshalling Yards without a pass will be sent back to the holding area at Al Warsan to register.
- At the time of exiting the marshalling yard, the Driver's Contractor's pass needs to be handed back to DWTC Security.

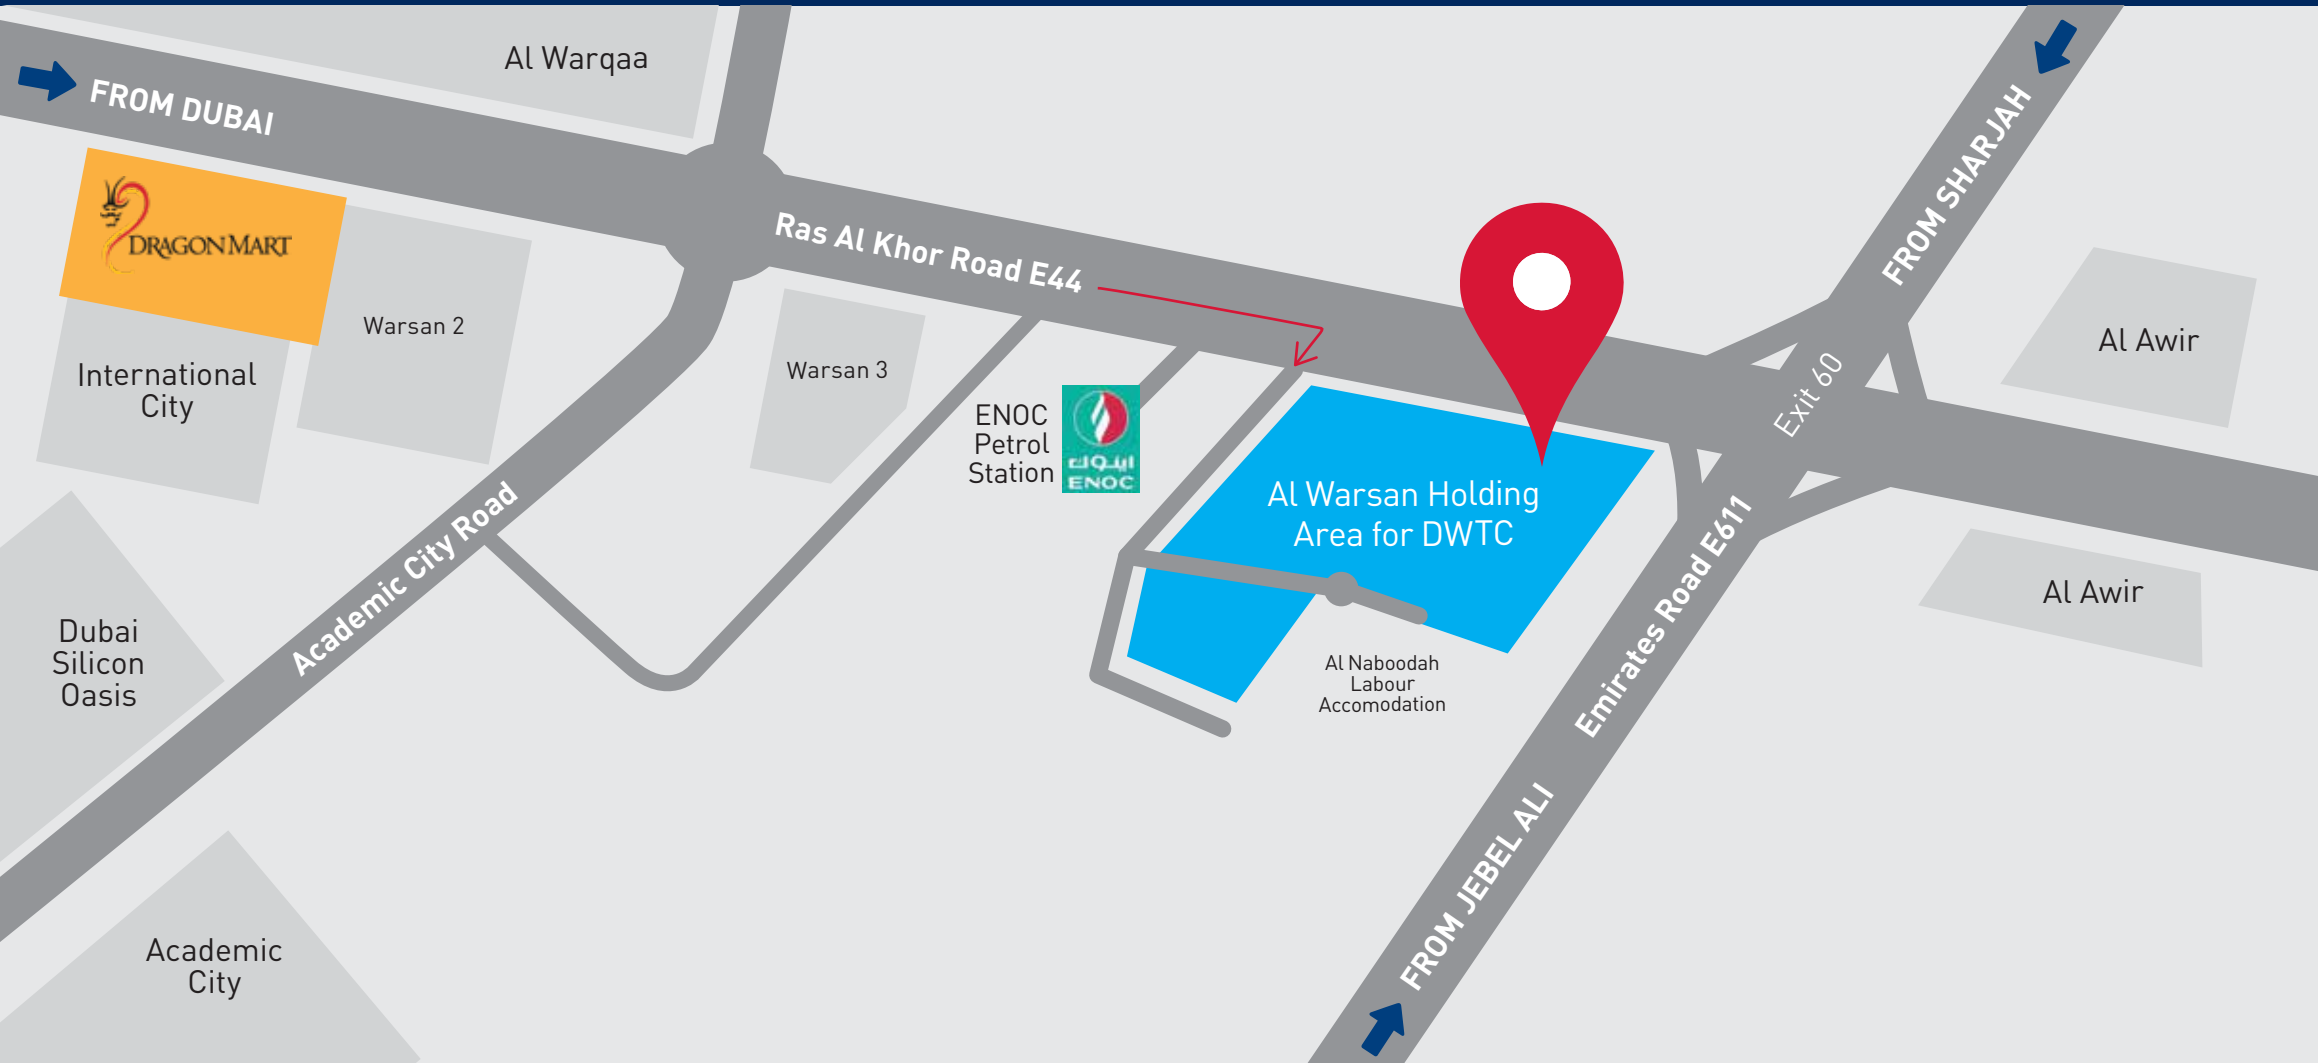

For information regarding Vehicle/Contactor badges, please refer to the DWTC Contractor Badge Guidelines.
